**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Like many of us living in our modern world, I rely on internet access. I use a competitive provider after years of receiving less than adequate service with AT&T. Competition in the broadband business had made it a new resource for my home internet needs. The internet service, which includes my home phone, is better, so is the customer service, and the price.

I support broadband competition.

Thank you.
